MEMORANDUM

TO: Allegan City Council
FROM: Joel Dye, City Manager
RE: On Street Parking Regulations in the City of Allegan
DATE: November 7, 2019

Summary

It is requested that City Council hold the scheduled public hearing and a second reading on Ordinance 481 which will regulate on street parking in the City of Allegan and then subsequently adopt Ordinance 481.

Over the past summer the Downtown Development Authority has been reviewing parking regulations in the Downtown. As part of that process city staff noticed that the current ordinance did not adequately regulate on street parking throughout the entirety of the City of Allegan. Through discussions with the Police Department and the Department of Public Works, as well as the Downtown Development Authority the attached ordinance was developed to mirror current practices and desires by all aforementioned parties.

In general, overnight parking between the hours of 2:30 AM and 5:00 AM will be banned on all streets, with some exceptions. Below is not a complete list of the exceptions. Please see the attached ordinance for a complete list of the exceptions and rules.

- Between April 1st and November 14th, passenger vehicles will be allowed to park on the streets.
- No Parking will be allowed on streets in the Core Downtown Area between the hours of 2:00 AM and 5:30 AM year round.
- No Parking will be allowed on streets identified at State Trunk Lines.
- No parking between the sidewalk and the edge of the road.

Recommendation

It is recommended that City Council hold a public hearing and second reading of Ordinance 481 which will regulate on street parking in the City of Allegan and subsequently adopt Ordinance 481.
