**DRAFT**

Meeting called to order at 5:04 pm

Present: Pete Savage, Nancy Ingalsbee, Owen Hunt, Kathy Cassady, Jill Bentley, Fred Jordan, Marcia Neigebauer. Also present Wayne Allen, Mike and Diane Morton

Upon visual inspection of the home it was clear that most of the rot was only around the windows and that the problem with the siding was lack of maintenance.

After much discussion and upon a Motion made by Fred Jordan, seconded by Marcia Neigebauer stating that applicant should be allowed to side the residence with vinyl siding as requested, a recorded vote was as follows: Fred Jordan, Marcia Neigebauer, Peter Savage and Owen Hunt voted yes, and Kathy Cassady, Jill Bentley and Nancy Ingalsbee voted no. Motion carried.

It was further decided that the issue of windows was not included in the Motion and that further information as to the shape and materials used was necessary before the window restoration or replacement was approved.as has been the case in other window projects.

Meeting adjourned at 6:07 p.m.
