This form is not an underground plumbing permit. Professional Code Inspections, 1575 142nd Ave. Dorr, MI 49323, Phone # 1-800-628-3335, issues and inspects all plumbing installations.

A 5/8" meter is supplied by the city. All larger sizes must be bought by the owner from the city. Meter size requested _____ inch. Water service size _____ inch(es)

Lines larger than 1" copper are installed from the main to the property line on a time and material basis.

If a lateral is not presently installed to the property, the line will be placed to the property line on a time and material basis. All work done in the right-of-way must be performed by the Public Utilities Department. If the lateral is present the Public Utilities Department must inspect connection.

Minimum down payment of \$250.00 required. Balance due can be invoiced monthly for 12 months. Balance due after 12 months will be added to your taxes as a special assessment.

Commercial and industrial users must have written permission from the Utilities Director. This may include the completion of a non-domestic user survey report.
