I hold office hours 8:30am-5pm the 1st & 3rd Thursday of every month if you would like to meet in person but I can be made available for an appointment if you should like to meet a different day outside of office hours.

We have implemented the attached policy by the Department of Treasury for inspection or review of public records.

Each year assessment notices are sent to every property within the Township. If you would like to discuss your property's Class, Value of Assessment, or Qualified Agricultural Exemption prior to the March Board of Review, please contact me using the information above.
