## City of Allegan Zoning Ordinance

### 1603 (I) Accessory Fences

1. Fences are structures but require only a zoning permit, not a building permit unless they are over six (6) feet in height.
2. Fences may be constructed of brick, stone, vinyl, wood, metal or wire.
3. A fence not exceeding forty-eight (48) inches in height may be erected in side yards and in front yards forward of the front building line of a residence to within eighteen (18) inches of the sidewalk. A fence not exceeding said height is also permitted on the side yard of a corner lot to the full depths. Of the lot and to within eighteen (18) inches of the sidewalk.
4. Except for a corner lot, a fence or retaining wall not exceeding six (6) feet in height is permitted on the side yards to the rear of the front building line and on all rear yards.
5. The face of the fence on a side yard of a corner lot shall be erected eighteen (18) inches back from the inside edge of the sidewalk to leave room for city snowplow use.  
All fences erected by an individual owner must be erected on his property.
6. All fences erected at or near the property lines shall have the finished side facing outward from the lot.
7. It is unlawful to construct any private fence or barrier within a public right of way
