Greetings,

MDOT Aeronautical sent an email regarding a fly in for 2022. The email reads:

Good Afternoon,

I hope this email finds you well!

It is that time of year to submit your 2022 fly-in event. Your event will be published on the back page of the 2022 Michigan Airport Directory.

If you could email me your information by December 31, 2021 that would be appreciated [lewandowskyt@michigan.gov](mailto:lewandowskyt@michigan.gov). If you have any questions, I can also be reached at 517-803-5828.

Thank you,

Tammie Lewandowsky  
Safety & Transport Section  
Office of Aeronautics

This can be a topic of conversation for our December 2021 board meeting. If the decision is made to have a fly in scheduled for 2022 there should be a committee assembled to coordinate the event.

Have a good weekend.

As noted in the MDOT email, there is a deadline of December 31 2021 to get the information submitted for it to be advertised in the 2022 Michigan Airport Directory. The December deadline is only for inclusion in the directory. If the decision to hold a fly in is made after December 31, that just means the event would not be included in the upcoming airport directory.

Something to ponder in advance of the December 6th meeting...

Have a good weekend.

Respectfully,

Doug Kadzban  
DPW Director
