SUBJECT: Discussion regarding Strategic Planning Expectations

### Action Requested:

It is requested that City Council discuss their expectations for the upcoming Strategic Planning Meetings scheduled for this week.

### Background:

Annually City Council has three meetings in January to begin the budget season.

1. The first meeting is scheduled for Thursday January 13, from 6:00 PM to 8:00 PM and allows for individual one on one meetings with members of the public.
2. The second meeting is scheduled for Friday January 14, from 5:30 PM to 8:30 PM and is an opportunity for Department Heads to update City Council on what their respective departments accomplished last year, what they would like to accomplish in the upcoming year and then allow time for Council to discuss what they would like the Departments to focus on.
3. The third meeting is scheduled for Saturday from 8:30 AM to 4:00 PM to receive updates from the advisory committees as well as discuss their goals and priorities for the city moving forward.

To ensure these meetings are beneficial, Council should discuss their expectations for these meetings.
